We grow our organization based on interactions that promote mutual trust and respect with our stakeholders and partners. We strive to ensure the highest level of organizational effectiveness by continually reviewing our programs and processes to improve quality and efficiency.

We develop creative solutions to address challenges and to utilize opportunities. We believe that leadership skills can and should be continually improved and refined.

Diversity – We value and embrace diversity. We seek out views that reflect all walks of life, and reflect those views in our programs. We are sensitive to the special needs and diverse backgrounds of individuals. We give all individuals an equal opportunity to be heard and to benefit from our programs.

Community Partnership – We value community partnerships. We recognize the importance of working with community organizations to strengthen our supportive network. We value the input we receive from our community partners, and strive to work together cooperatively and constructively for the betterment of all.
